Scouts Sponsorship Program at CMRM

Colorado Model Railroad Museum is looking for sponsors for the museum's Scouts Program. The goal is to cover costs of providing free admission and create free programming for Scouts BSA and Girls Scouts of America. CMRM facilitated more than 50 Boy Scouts to earn their Railroad Merit Badge in 2018, the Museum Lego Layout was built by a Boy Scout troop, and the museum's sidewalk and xeroscape garden being installed in 2019 was designed in part by a Girl Scout Troop. Many more projects like this are planned to incorporate Scouts into museum programming.

Benefits Scouts receive:

- *Free admission always for all Scouts and Leaders in Uniform*
- *Engaged with Stem/Steam programming*
- *Build self-confidence and self esteem*
- *Experience their own creativity*
- *Railroad Merit Badge can be completed at the museum*
- *Partnership with Special Projects at the museum*

For your Sponsorship you or your company will receive recognition on the Scouts Sponsorship recognition board and listed on our website as a sponsor of this program. You will also receive joy in knowing you are allowing access to those scouts where admission might be a barrier.

Sponsor Levels:

Peak - \$1,000

Timberline - \$500

Trail head - \$250

Base camp - \$100
